

▶ Level One “What” questions ◀

- If you could summarize Pastor Jeff's sermon in just one sentence; what would you say?
- What was the “myopic” view about the economy Pastor Jeff mentioned that may cause worry?
- What message(s) are there for us in these uncertain times in 1 Thessalonians 5:12-18?
- What does it mean that God is in control? What is He in control of?
- What are the five purposes of God in our crumbling economy?
- Unpack each statement; “What does this mean”? “What does this imply for you”?
- In each of Pastor Jeff's five purposes of God in our crumbling economy he starts with: “To Turn our Hearts from” – Why do you think he did this? Why is our heart so important?

▶ Level Two “When” questions ◀

- Where, right now, are you having some anxiety about the economy?
- When have you ever had your faith tried, and God, once again proved Himself faithful?
- Where does your faith need a “booster shot” to help you to completely trust God and not trust in wealth, money, a job, etc..?
- Where, right now, do you need to stand firm on His word?

▶ Level Three “How” questions ◀

- How can you take one step toward trusting God more in our crumbling economy?
- How can you, in practice, help God to achieve each of His five purposes in you?
- How should the Word of God have an influence on your level of trust/worry?
- How can you place your trust completely in God? How is your will involved in doing this?
- How can you, in practice, fix your eyes on Jesus, and not on your circumstances?
- How important is this to you? How important is this to God?
- How can this Mini Church help you to do this?
