The Holy Spirit's presence in the church is realized by:

- a)
- b)
- c)
- d)

Clearly associated with the Holy Spirit's presence in worship is His \_\_\_\_\_ of the \_\_\_\_\_.

All of the Old Testament prophets claimed to have been \_\_\_\_\_ and \_\_\_\_\_ by the Spirit of the Lord.

The Holy Spirit invades our world to \_\_\_\_\_ the will of God and bring His creation into conformity with that will.

That is why there is the link in the Bible between the \_\_\_\_\_ and the \_\_\_\_\_.

A good Bible study would be to, as you read, look for every reference linking the call of God, and the Word of God, and the Spirit of God.

In 2 Timothy 3:16, Paul writes that "*all \_\_\_\_\_ is \_\_\_\_\_ by God*"

2 Peter 1:20-21 – the message is that \_\_\_\_\_ comes from God, not from the prophet's own \_\_\_\_\_.

The key word that best describes the relationship between the Holy Spirit and the human writer/author is \_\_\_\_\_.

The Old Testament pointed forward to what?

It is impossible to understand \_\_\_\_\_ or His \_\_\_\_\_ except against the background of the Old Testament.

Who or what is the centerpiece of the Old Testament and New Testament?

Where is the Holy Spirit most readily encountered?

What claim does 2 Peter 3:16 make for Paul's writings?

Characterize your own interaction with the Bible. Why is it important or not?

What three things does Paul claim in:

1 Corinthians 2:16b -

*But we have the \_\_\_\_\_*

1 Thessalonians 2:13 –

*And we also thank God continually because, when you received the word of God, which you heard from us, you accepted it not as \_\_\_\_\_, but as it actually is, \_\_\_\_\_, which is at work in you who believe.*

1 Corinthians 2:13 –

*This is what we speak, not in words taught us by \_\_\_\_\_ but in words taught by the Spirit, expressing spiritual truths in \_\_\_\_\_*

Has the Holy Spirit ever “spoken” to you personally through the preaching of the Word? How?

How is preaching a shared work?
