What two series of events are focused on in chapter 8?

1)

2)

Who/what is represented by the Ram and the Goat?

Why do you think the Ram and Goat are revealed to Daniel?

How might Proverbs 16:18 and 29:23 apply to the “large horn” of vss 8, 21?

When did Daniel have this vision? What, if anything, is significant about the timing of the vision?

Who might the “small horn” of Daniel 8 represent?

What, if anything, might be going on “behind the scenes” of Daniel 8?

Satan is doing all he can to forestall his own \_\_\_\_\_ which God pronounced in \_\_\_\_\_. How?

**Antiochus Epiphanes** is an apt symbol for \_\_\_\_\_

What is said about Antiochus? see vss9-12, 23-25?

Who might the phrases “host of heaven” and “starry host” (vs10) refer to?

Why would Antiochus seek to abolish the Jewish religion?

What steps did he take to try to accomplish this?

What is the “rebellion” of vs 12 and what role does this play?

“*And truth was thrown to the ground*” (vs 12b) – what might this mean?

How important is God’s Word to you?

What is the significance of the question asked in vs 13?

What significance might vss 13-14 have for believers today?

When is Jesus returning?

The purpose of the highly symbolic numbers in Daniel is not for \_\_\_\_\_ but for \_\_\_\_\_.

What do they remind us of?

God calls us to live \_\_\_\_\_ in the present while waiting with \_\_\_\_\_ for the future.
