

Daniel's Vision Interpreted

Daniel 7: 15-28

Pastor Zac Nazarian

January 15-17, 2010

Despite the victorious conclusion of his dream (vss 13-14), Daniel experienced what? (see vs 15)

What might Daniel be distressed about?

- The _____ the future might hold for his people.
- By his _____ to understand the several features of his dream.
- By all the _____ running through his mind.

What "dreams" have you had that have left you "distressed"?

Who might be "the one" Daniel asked the meaning of the dream?
(hint-see Daniel 9:21)

What two components make up the answer (vss 17-18)?

1)

2)

Do you believe that God's final kingdom is a literal, earthly kingdom or a Spiritual dominion? Why/why not?

What dynamic does the Apostle Paul connect with the saints ruling and reigning with Christ? Why do you think this is necessary?

Daniel asks only about the _____ beast. Why do you think he doesn't ask about the previous three?

- The vision given to Daniel _____ the fourth beast.
- Daniel is being guided _____ to that point which is important from _____ standpoint.
- Even from a _____ standpoint, the end of the ages with the triumph of the _____ would be a matter of primary concern to Daniel.

What other questions did Daniel have?

fourth kingdom.

How long do the ten horns represent? How long do they last?

What is the hope that every human being needs to know?

What does the image of a “horn” represent in general?

In answering Daniel’s questions, the angel stresses _____ major points.

What does the image of a “horn” represent in Daniel 7?

1) The _____ beast represented the _____ kingdom that was to appear on the earth (vs23)

What awaits those who make war against Christ – nation or individual person?

What would make this kingdom “different”?

How long will the influence of this fourth kingdom last?

2) The ten _____ / _____ arise from the
