What does Daniel's dream/interpretation tell us about the little horn?

vs 8-

vs 11-

vss 20-22 –

vss 24-26 –

The fourth beast is the \_\_\_\_\_ empire.

The little horn would refer to some great \_\_\_\_\_ persecutor of the true church arising within the \_\_\_\_\_ era and within the \_\_\_\_\_ created by the Roman empire.

In 2 Thessalonians 2, Paul seems to identify the “\_\_\_\_\_” with the person symbolized by the little horn.

Four specific statements identify this little horn.

1) He speaks great words \_\_\_\_\_ the Most High (vss 11, 20, 25)

2) He \_\_\_\_\_ the saints (vss 21, 25).

3) He changes \_\_\_\_\_ and \_\_\_\_\_ for a season (vs 25)

4) And finally, he will be \_\_\_\_\_ by the direct judgment of God – his body will be \_\_\_\_\_ and his kingdom will be \_\_\_\_\_ (vss 11, 22, 26)

The word Antichrist appears only in the \_\_\_\_\_.

John is primarily concerned with an immediate \_\_\_\_\_, the denial of the \_\_\_\_\_ of Christ

John spoke of a certain class of people as a \_\_\_\_\_ of the Antichrist to come.

Who were these people? Were they \_\_\_\_\_ or \_\_\_\_\_?

Those that John called “antichrists” were \_\_\_\_\_.

What was John's main concern in writing his epistles?

What was the original faith as taught “at the beginning” that John wants his readers to continue?

Who do you say that Jesus Christ is?

When John says (1 John 2:19) “They went out from us,”

Who is he describing and how did they go out?

How did the antichrists of John’s day “deny” the Father and the Son? (1 John 2:22)

What does Jude say about false teachers? (see Jude 3-4)

What does Peter say? (see 2 Peter 2:1-2)

What does Paul say? (Titus 1:10-16)

In 1 John 4:1, John says “Don’t believe everything you hear but test the spirits.”

What does he mean and how do you “test the spirits”?

What does the word “antichrist” mean?

1)

2)

3)

The Antichrist would claim to be \_\_\_\_\_ Christ and by so doing would actually be \_\_\_\_\_ Christ.

In 2 Thessalonians 2:14, Paul refers to the \_\_\_\_\_ of \_\_\_\_\_.

Paul (and John) mention the \_\_\_\_\_ not so that we might identify him specifically, but that we might be ready for \_\_\_\_\_ that threatens our faith.

If our faith is \_\_\_\_\_, we don’t need to be \_\_\_\_\_ of what lies ahead, because we know that this lawless man has already been \_\_\_\_\_ by God.

God is in \_\_\_\_\_. Our task is to be \_\_\_\_\_ for Christ’s return and tell others the \_\_\_\_\_ so they too will be \_\_\_\_\_.
